

COMMENT FORM

PUBLIC INFORMATION MEETING - APRIL 22, 2009

**Interstate 17 (I-17): State Route 179 (SR 179) to Interstate 40 (I-40)
Design Concept Report and Environmental Studies**

Federal Highway Administration

**High Country Conference Center at
Northern Arizona University**

**Agassiz Room (A)
201 West Butler Avenue, Flagstaff, AZ
5:30 to 7:30 p.m.**

The Arizona Department of Transportation (ADOT) and the Federal Highway Administration (FHWA), as lead federal agency, are conducting an engineering and environmental study to develop a long range plan for this segment of the I-17 corridor. Technical studies have been performed to develop alternatives for a series of improvements to provide for greater capacity and to ensure smooth operations for the traffic volumes that are projected to occur over the next 20 to 30 years. ADOT is seeking public input on the alternatives under consideration in anticipation of selecting a preferred alternative.

The information presented this evening represents the alternatives under consideration for this project. Included in the alternatives are options for widening the I-17 mainline, wildlife connectivity crossings, local improvements that could be implemented prior to the mainline widening, and an overview of environmental issues under consideration. You can leave your comments with us tonight or mail/e-mail/fax them to the addresses provided on the back of this form. We would appreciate your contact information below for our mailing list. **All comments should be received by May 13, 2009.** The comment form is also available on the project website at http://www.azdot.gov/Highways/Projects/I17_SR179_to_I40/Index.asp.

Name: _____

E-Mail: _____

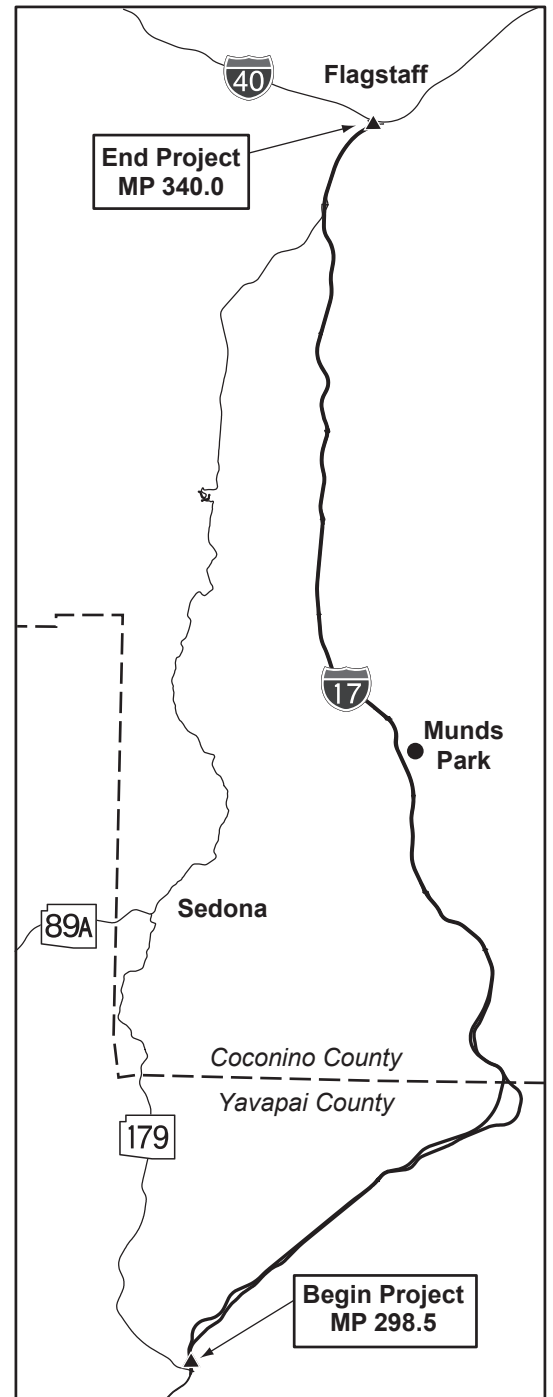

Address: _____

City, State, Zip: _____

Comments: _____

- see reverse side -

Completion of this form is completely voluntary and helps the project team keep an accurate record of the meeting and comments. Under state law, any identifying information provided will become part of the public record and, as such, must be released to any individual upon request.

Please provide us with your thoughts on the preliminary alternatives at the following locations:

I-17 Mainline Alternatives (MP 299.0 – MP 313.0): _____

SR 179 (Sedona) Traffic Interchange (MP 299.0): _____

Stoneman Lake Road Traffic Interchange (MP 306.3): _____

Woods Canyon (MP 317.0): _____

Other comments: _____

THANK YOU FOR COMING!

You may leave your comments at the registration table or send them to:
